University Catering

Service Level: Full Service

Product & Services

Recognized as the campus-area experts in professional, made-to-order, full-service catering.

The Office of Student Life University Catering features an extensive staff of event-planning, banquet, catering, culinary and pastry specialists that focus on creating one-of-a-kind experiences for each event. Whether you need boxed lunches for 10, a self-serve buffet for 100 or dining service for 1,000, they customize the subtle details in the menu and the peripheral items and presentation.

At a glance

- Provides both drop-off casual and full-service catering
- Pre-approved to serve alcohol on campus
- Provides event staffing and onsite management
- Accommodates over 1,000 guests
- Provides off-premise catering including indoor and outdoor facilities
- Accepts eRequest
- Close proximity to all university clients and venues
- Offers 10% discount off food and non-alcoholic beverages for faculty/staff/students for university events and non-university parties

Services

University Catering can host events in nearly any facility on Ohio State's campus and beyond. Service and support include:

- Delivered casual catering
- Full-service catering including plated served functions and black-tie events, buffets, receptions, tailgates, graduations and more
- Customized menu and décor development unique to your occasion
- Event planning and onsite management
- Professionally trained event staff
- Alcohol bar service and management
- Table decor (linens, floral, china and glassware)
- Coordinated event rentals

The full-service quote request begins with event time, date and place information. Event equipment rental requests are done on the same form. All quote requests from these suppliers should be initiated only through The Catering Marketplace
