Oligos & Peptides
Aldrich Market Select (AMS) Order Center

The left margin of the page that opens next includes a listing of separate links to the oligos, probes, peptides and gene expression products. Each section includes manual or document upload options for order entry. The checkout process is the same as any other Sigma Aldrich purchase.

Contact Randy Litteral of Sigma Aldrich at randy.litteral@sial.com with product questions.

Product Category

Custom Products

- Oligos & Probes
- Gene Knockout, Knockdown & Expression
- Peptides
- Prepayment & Blanket PO Services

Custom Products

Sigma[®] Life Science is recognized as the world's leading supplier of custom and predesigned nucleic acid products, peptides and molecular biology tools servicing the global life science community. Our ability to guarantee quality and performance is directly related to our comprehensive understanding of various synthesis chemistries and manufacturing platforms, our investment in analytical systems, and our experience in methods development. Choose from our comprehensive portfolio of products.

Product Categories

Oligos & Probes

DNA oligos, RNA oligos, and qPCR probes for a variety of applications

Gene Knockout, Knockdown & Expression

siRNA duplex, shRNA, CRISPR, ZFNs, miRNAs, and ORFs targeting a specific gene or mRNA of interest

Peptides

Peptides provided in formats for a variety of applications.

Custom Oligos and qPCR Probes

Sigma offers a comprehensive portfolio of DNA oligos, RNA oligos, predesigned primers and qPCR probes for applications including PCR, cloning, next-generation sequencing (NGS), microarray production, CRISPR, gene synthesis, gene expression analysis, genotyping, and pathogen detection.

- **DNA & RNA Oligos**
- **Predesigned Primers & Custom qPCR Probes**

DNA & RNA Oligos

DNA Oligos in Tubes

For applications including PCR, sequencing and cloning, [Learn more](#)

ORDER >

DNA Oligos in Plates

Supplied in 96 or 384-well plates including many formatting options, [Learn more](#)

ORDER >

RNA Oligos

Single strand oligos containing RNA bases, mixed DNA/RNA or RNA/OMe bases, [Learn more](#)

ORDER >

Easy™ Oligos

Normalized to 100 μM at a fixed price, [Learn more](#)

ORDER >

Pure & Simple Primers

Cartridge purified primers at a fixed price, [Learn more](#)

ORDER >

WellRED Oligos

For use with Beckman Coulter's CEQ/GeXP Genetic Analysis Systems, [Learn more](#)
